Government Corruption and False Flag Terrorism

Dear Police Commissioners

And Senior Staff, who have not been compromised, corrupted and turned to the dark evil side of helping to carry out False Flag Terrorism against your fellow citizens.

So how infiltrated – corrupted have our Police and Intelligence Services, Politicians and Mainstream Media become?

By the same people who were behind Sept 11th 2001 Terrorist Attacks in New York, Madrid, London, Bali etc?

By my calculations the following have been infiltrated and corrupted and are now compromised I base these claims on the following 76 Pages of Evidence & Proof.

The below people since 11th Sept 2001 have stopped all and any Israeli Mossad, IDF information from coming to light and reaching the day of light.

The following people have lied, deliberately told stories feed to them by the Americans & Israel and have even tried to silence anybody who disclosed Israel involvement with 11th Sept 2001 Terrorist Attack.

And any False information Israel was feeding to America about the Iraq War. As far as Australia is concerned please see the following Video by Carmel Travers at the end she talks about 3 goons from Ex – Attorney General Phillip Ruddock in the John Howard Government went and tried to silence Carmel by busting up her computer and then threatening her.

To charge her on Fake – False Terrorism chargers.

Truth, Lies & Intelligence

<http://www.purplepictures.com.au/site/03011.php>

Listen to Carmel at the end as she asked these Zionist Goon Thugs how many other people have they done the same thing to and they brag about 72 other Journalist, TV Producers, 911 Truthers and Australian Bloggers, Web Site Owners.

Anyone who tried to expose Israel involvement in feeding the Americans through their US Military – Pentagon Fake / False information about Iraq and Weapons of Mass Destruction.

These Zionist Goons in some western countries with the blessing from our own Government, Ministers went around threatening people with Fake – False Terrorism chargers all done under immunity given to them by the Government.

- Office Of National Assessments
- Australian Federal Police
- ASIO
- ASIS
- Federal Attorney General Office
- Australian Military
- Foreign Affairs Dept

Also

NSW State Police Force (Terrorism – Counter Terrorism Unit) and right up to the Police Commissioners Office.

Victorian State Police Force (Terrorism – Counter Terrorism Unit) and right up to the Police Commissioners Office.

- Both State Attorney General Office and DPP sections.

Also

- Julia Gillard MHR - Prime Minister
- Kevin Rudd MHR - Foreign Affairs Minister
- Craig Emerson MHR – Acting Foreign Affairs
- Stephen Smith MHR - Defense Minister
- Robert McClelland MHR – Attorney General
- Tony Abbott MHR – Opposition Leader
- Julie Bishop MHR – Deputy Opposition Leader & Shadow Foreign Affairs
- Senator George Brandis - Shadow Attorney-General
- Senator David Johnson - Shadow Defense

All these people staff in their Offices, Advisers can be considered corrupted & compromised.

Australia is in deep s*** for Terrorism and an Terrorist Attack to occur as you can see by the list above, all these people have sold their country Australia out.

They are compromised & corrupted to the evil side of letting these Zionist Goon Thugs go about threaten people, assassinate people and do anything they want.

The Australian Media both Newspaper groups Fairfax & News Corp Editors, Journalist cannot be trusted to report the truth.

The same can be said for TV Stations 10, 9, 7, 2, SBS.

What you are going to read in the next 76 Pages of Evidence and Proof can be found openly on the Internet, all the information is confirmed true and correct and the above shame list of traitors, treasonous scum have been hiding from the Australian General Public.

God Help Us All

Not only are we the people of the World at War with these Zionist Goons Thugs, trying to stop them attacking us, but the above list of people, agencies, police have sold us all out lock, stock and barrel.

Israel, Mossad And Dual Citizens Traitors Did 9/11 - All The Proof

Did religious fanatic Muslims commit the acts of September 11, 2001?

Or could some other form of religious fanaticism be at work?

The Jew Doesn't Fight His Own Battles

<http://vimeo.com/20671049>

World Zionism is the architect of global terrorism, the man behind the curtain if you will.

Ever since the establishment of the criminal Zionist terror state (Israel) in the middle-east via terrorism, murder, land theft and ethnic cleansing in 1948, there has been a major increase in violent terrorist acts across the globe, beginning with the Jewish attack upon the King David Hotel in 1946, disguised as Arabs.

Zionist Bombing In Jerusalem 1946

http://www.youtube.com/watch?feature=player_embedded&v=5gaMNApYKtU

Israel and its loyalists abroad have been engaged in a concerted effort to demonize the Muslim/Arab world and nations which get in the way of Israeli hegemony in the middle east, such as Iraq.

Israel never fights its own battles because Jews are weak and cowardly (albeit sneaky, ruthless and deceptive), so it must trick western powers into doing the dirty work. This is done through the use of false-flag terrorism.

Former Mossad case officer, Victor Ostrovsky, wrote two books detailing the Israeli terrorist agency's relentless use of 'false-flags' to set up Arabs and Muslim countries as targets for the United States military. (See: **By Way of Deception**)

Watch the videos below for a brief history of Israeli false-flag terrorism and covert operations that have, in the past, tricked Western powers (particularly the USA) into attacking a country which Israel didn't like whom had been framed for a terrorist incident covertly perpetrated by the Mossad, Israel's state-terrorist organ.

Israel's attack on 9/11 was primarily designed to turn public opinion against the enemies of Israel (Arabs) and to induce the Western powers to take out Israel's regional enemies.

The codename for the 9/11 attacks was "the big wedding" which could be interpreted as a reference to the planned coagulation of US and Israeli foreign policy - making Israel's evil ambitions America's too.

Like all Israeli false-flag attacks Muslims were scapegoated for this Jewish crime.

The only beneficiary of such an event was Israel, as well as the international Jewish bankers who thrive off of wars and conflicts.

You can see this Jewish agenda being played out clearly in the mainstream media broadcasts on the very day of 9/11 and in the weeks that followed.

Here are a few revealing clips for your consideration: The name of "Bin Laden" first rolled off the tongue of hideous Israeli defense minister **Ehud Barak** on a BBC broadcast before the dust even settled.

A false-flag always requires a pre-determined fall guy, of course.

Ehud Barak interview, BBC, 11:29am 9/11

http://www.youtube.com/watch?v=V4Zj1fnGtjk&feature=player_embedded

A Zionist Jew by the name of **Jerome Hauer** was one of the first to blame the attacks on "Al Qaeda" and even went so far as to attribute the astonishing free-fall collapses of the twin towers

As the result of "the impact of the planes and the 'intense heat' from the ensuing fires", which later became the laughable and physically impossible official explanation.

How did he just happen to know what would become the entire official story on the very day of 9/11?

The 9-11 Solution -How The Myth Was Sold

http://www.youtube.com/watch?v=7GDa-L4hHHo&feature=player_embedded

Later in the day the President of Israel and venomous worm, **Ariel Sharon**, held a press conference in which he called for an "international war on terror".

Ehud Barak and other Zionist rats also spoke this kind of language on media broadcasts, making their pre-planned Jewish war agenda quite obvious to say the least.

9/11 Ariel Sharon "Turning Point on Terror" Press Conference 5:00 pm

http://www.youtube.com/watch?v=UJT5ON9jfXs&feature=player_embedded

Here are yet more calls for a "war on terror" and "swift action on part of the USA" by Zionists on the BBC.

Several Jewish-Zionist slime balls **Ehud Barak & Richard Perle** led the warmongering, on behalf of Israel, along with a few of their Goyim pets.

Israel was clearly trying to shape the U.S.'s response to 9/11.

The Jewish-controlled media was hitting us over the head with videos of Palestinians supposedly celebrating in the West Bank.

Meanwhile the controlled media completely neglected to mention the fact that **five Israeli Mossad agents were witnessed videotaping, celebrating, high-fiving and laughing as the WTC was hit, from a rooftop in New Jersey.**

Five Dancing Israelis Arrested On 9/11

http://www.youtube.com/watch?feature=player_embedded&v=tRfhUezbKLw

After watching the above videos it should be all too obvious that the Zionist Jews were ready to sell their pre-written propaganda script to a gullible American public.

Within an hour of the second tower being hit several Zionist-Jewish criminal personalities were announcing that Osama Bin Laden had done it.

This PR effort was designed to create an instant mindset, put public opinion in a trance, and prevent even intelligent people from thinking for themselves.

A planned piece of disinformation by the real perpetrators.

This alone is a strong indication that the Zionists engineered the attacks.

It was reported that in the months leading up to 9/11 Israeli intelligence gave a general warning to the CIA saying a network of 200 "terrorists" were operating on American soil and were planning a major terror attack although they were conveniently unspecific about any of the details of the planned attack.

***** Comment anybody want to guess who the 200 Terrorist really were?

Israelis caught up in terror sweep

■ Of the nearly 1,100 foreigners arrested after Sept. 11, 90 to 100 are Israeli citizens

By JIM GALLOWAY
The Atlanta Journal-Constitution

NAZARETH, Israel — The day after the world changed, Roy Barak and his partner were in an empty rental truck, heading east on Interstate 75, when they were stopped by police. The men, who were in the truck for a few hours, are still in American jails are becoming increasingly impatient.

Local journalists now press the U.S. ambassador, Daniel Kurtzer, on the issue. Members of the Israeli parliament have handed him a petition. The parents of the five movers still being held in a federal prison in Brooklyn have enlisted the help of the mayor of Jerusalem, Ehud Olmert, relying on his close ties to New York City Mayor Rudolph Giuliani.

Olmert has called Giuliani twice, to no avail. Custody of the men is a military — do the heavy lifting for the moving industry.

Barak, a former paratrooper, got a job with Urban Moving Systems of Weehawken, N.J., in summer 2000. Starting pay was \$7 an hour plus tips. Mostly, Barak stayed east. He saw Miami, delivered furniture to Atlanta and drove by Graceland in Memphis.

Like other Israelis, he gave little thought to his expired visa — until Sept. 11.

At the police station, Barak was allowed his one phone call, but not smiling.

And even if they were smiling, he said, Americans have to understand that the reactions of Israelis with fresh military experience are bound to seem peculiar to others. His friends had seen acts of brutality and terrorism nearly every day. Barak himself had spent six months in Lebanon.

"It's a little bit different how the Israeli thinks," Barak said.

The Austin American-Statesman, November 25, 2001, pg. A-11

The Israeli intelligence sources also went on to lead American officials in the direction of **Osama Bin Laden** and **Iraq** being the authors of this upcoming terror event.

This was not a warning, it was planted propaganda.

Yet another strong indication that the Israelis were planning a false-flag operation in which Al Qaeda and Iraq were to be blamed.

The next few years after 9/11 saw a heavy amount of Zionist/Neo-Con media propaganda promulgating this erroneous Iraq-Al Qaeda connection.

Thus fulfilling the lies of this phony Mossad "warning".

The pieces of the puzzle fit right into place.

The Telegraph

Israeli security issued urgent warning to CIA of large-scale terror attacks

By David Wastell in Washington and Philip Jacobson in Jerusalem 12:01AM BST 16 Sep 2001

ISRAELI intelligence officials say that they warned their counterparts in the United States last month that large-scale terrorist attacks on highly visible targets on the American mainland were imminent.

The attacks on the World Trade Centre's twin towers and the Pentagon were humiliating blows to the intelligence services, which failed to foresee them, and to the defence forces of the most powerful nation in the world, which failed to deflect them.

The Telegraph has learnt that two senior experts with Mossad, the Israel military intelligence service, were sent to Washington in August to alert the CIA and FBI to the existence of a cell of as many of 200 terrorists said to be preparing a big operation.

"They had no specific information about what was being planned but linked the plot to Osama bin Laden and told the Americans that there were strong grounds for suspecting Iraqi involvement," said a senior Israeli security official.

The CIA has said that it had no hard information that would have led to the prevention of the hijacking, but the FBI said it believed that cells operating within America and totalling at least 50 terrorists were behind last week's devastating hijacks; the names of new suspects are being added to the list daily.

Mossad set the stage for Bin Laden and Iraq to be blamed for 9/11

Jews Control American Mass Media & Hollywood

Without the mass media as a willing co-conspirator, the Zionist Jew terrorists would never have been able to pull off a 9/11-style event without getting caught.

The American (and global) media is not merely "incompetent", it is criminally biased in favor of the Jews and Israel because that's who owns it, obviously.

The Jewish-owned Mass Media and Zionist fifth-columnist political pundits masquerading as "experts on terrorism" were mobilized to immediately pin the crime on 19 incompetent Arab patsies who were working for a fictional terror group called "Al Qaeda".

They did this well using all the tried and true techniques that you can find in the Jew Edward Bernays' book, "Propaganda".

Israel Did 9/11 - All The Proof

It can be said that terrorism has been a tool of the Jewish people since time immemorial.

But ever since the invention of explosives it has become somewhat of an art form for them.

Since Jews are fond of blaming other people for their crimes.

More often than not many of the large-scale terror attacks that have been blamed on Muslims & Arabs by the controlled media, were actually perpetrated by Zionist Jews and their henchmen.

Some of the earliest examples of Jewish political terrorism goes back to the mid- late 1800's when radical Jewish Marxists from the Pale of Settlement were engaged in non-stop attempts to assassinate the Christian Czar's of Russia, which eventually culminated in the insidious and ruthless savagery of the Bolshevik Revolution (a Jewish brainchild).

Some of the more modern day examples of Jewish false-flag terrorist spectacles include the **Kind David Hotel bombing** (1946), the **Lavon Affair** (1954) and the **USS Liberty attack** (1967), among **many others**.

Figuring out exactly how 9/11 was done is the work of crime investigators or conspiracy hobbyists who will endlessly go on discussing and debating every minuscule and intricate detail of the event to no avail.

It doesn't take a structural engineer to tell you that two 110 story buildings and a 47 story steel skyscraper plummeting to the ground at nearly free-fall speed requires the assistance of explosives.

All you need is two eyes that can see and a brain that thinks to come to that sound conclusion.

This is why it is of my opinion that more emphasis should be placed on the "who" instead of the "how".

It should be obvious to anyone that discovering who did 9/11 is infinitely more important than discovering how they did it.

Zero: An Investigation Into 9/11 (for the "how")

<http://video.google.com/videoplay?docid=2296490368603788739&hl=en>

Pictured is Isser Harel. Born in Russia, Harel became Israel's pre-eminent spy and founder of the infamous Mossad. He predicted the events September 11, 2001 with uncanny accuracy, twenty-one years prior to 9/11.

On September 23, 1979, Michael Evans, an American supporter of Zionism.

Visited Harel at his home in Israel and had dinner with him and Dr. Reuven Hecht, a senior adviser to then Prime Minister Menachem Begin.

At dinner Michael Evans asked Harel, "Do you think terrorism will come to America, and if so, where and why"?

Harel told Evans; **"New York City is the symbol of freedom and capitalism.**

It's likely they will strike... your tallest building", because it is a **"phallic symbol"**.

The fact that 9/11 was planned by the Mossad through the admittance of Isser Harel is well documented and appears in a book written by Michael Evans. (Belief Net, 7th Paragraph)

WTC Controlled By Zionists

The first step in the preparation of the 9/11 attacks was to secure the control of the WTC into private hands.

This was crucial to the success of 9/11 because without complete control over this complex there would be no opportunity or possibility of setting explosive charges in place as the coup de grâce in bringing the towers to the ground.

In steps five key Jewish crime network assets

Jew Silverstein

1) Larry Silverstein - Larry is a Jewish American businessman from New York.

Larry obtained a 99-year lease on the entire world trade center complex on 24 July 2001.

The towers were nearly worthless, being that needed removal, yet Larry “felt a compelling urge to own them”.

Larry had breakfast in "Windows on the World" restaurant (107th Floor North Tower) every single morning.

Larry was absent from this routine meeting on the morning of September the 11th.

Larry's two children, who also worked in the WTC, conveniently decided to take the day off as well.

Larry Silverstein scored more than \$4.5 Billion in insurance money as a result of the destruction of his complex. Silverstein was personal friends with Zionist media-magnate Rupert Murdoch, former Israeli president & infamous Zionist war criminal Ariel Sharon, as well as Israeli PM Benjamin Netanyahu.

Silverstein was such good friends with Benjamin Netanyahu that he would speak with him on the phone every single Sunday.

(MUST SEE) 911 More LIES Exposed - Larry Silverstein (REMINDER)

http://www.youtube.com/watch?v=MODMG-yfsDs&feature=player_embedded

- 2) **Frank Lowy** - Lowy, a Czech-born Jew, was the owner of Westfield America, one of the biggest shopping mall conglomerates in the world.

Lowy leased the shopping concourse area called the Mall at the World Trade Center, made up of approximately 427,000 square feet of retail floor space.

Frank Lowy has quite an interesting history.

He was a member of the Golani Brigade, and fought in the Israeli war of independence.

Before this he was a member of Haganah, a Jewish terrorist network.

Frank Lowy spends three months of the year at his home in Israel and has been described by the Sydney Morning Herald as "a self-made man with a strong interest in the Holocaust and Israeli politics."

He funded and launched the Israeli Institute for National Strategy and Policy, which will "operate within the framework of Tel Aviv University" in Israel.

He is an also close friend with many top Israeli officials such as Ehud Olmert, Ariel Sharon, Bibi Netanyahu, and Ehud Barak.

He was also implicated in an Israeli Bank Scandal with Olmert.

Frank Lowy steered clear of the WTC on 9/11.

More information about Lowy can be [further researched here](#).

Jew Lowy

3) Lewis Eisenberg -This Jewish criminal personality was the head of the Port Authority of New York and authorized the lease transfer to his Zionist brethren Larry and Lowy.

Eisenberg was a large contributor to the Bush-Cheney presidential campaign, as well as a partner in the Jewish bank Goldman-Sachs.

Eisenberg has been both a member of the Planning Board of the United Jewish Appeal/United Jewish Federation pro-Israeli government pressure group in the U.S.

Jew Eisenberg

4) Ronald Lauder - Billionaire Estée Lauder Cosmetics magnate.

He was the chairman of NY Governor George Pataki's commission on privatization.

He is the key individual who lobbied for the privatization of the WTC (Source) -- but he also got the former Stewart Air Force Base to become privatized.

Oddly, the flight paths of flight 175 and flight 11 converged directly over this airport.

Lauder is active in the following organizations:
Conference of Presidents of Major American Jewish Organizations, Jewish National Fund, World Jewish Congress, American Jewish Joint Distribution Committee, Anti-Defamation League, Jewish Theological Seminary.

Ronald Lauder was elected president of the World Jewish Congress on 10 June 2007.

Lauder founded a school for the Mossad in Herzliya, Israel called the Lauder School of Government Diplomacy and Strategy.

He is the key Sayan involved in the preparation of 9/11.

Jew Lauder

5) Jerome Hauer - Jerome Hauer was the managing director of Kroll Associates on 9/11.

The company, known as “the CIA of Wall street”, provided security for the World Trade Complex.

Hauer had previously administered Mayor Rudy Guiliani’s office of emergency management, located in Silverstein’s building 7, from 1996 to 2000.

On the morning of September 11th, Hauer was on national television, trying to convince Dan Rather, (and the rest of us), that jet fuel fires had collapsed the Towers.

Somehow he knew the entire 911 official story, the very day it happened.

Perhaps because he authored the script?

Jerome Hauer also advised the White House to go on Cipro, the anti-biotic effective against Anthrax, one week prior to the first anthrax mailings.

Jerome Hauer is Jewish and a staunch Zionist.

Hauer's mother is the Honorary President of the New York Chapter of Hadassah, the "Daughters of Zion".

Jew Hauer

Zion Incorporated

Ptech Software Systems

Most national security computerized systems that would have responded to the 9/11 hijackings by scrambling jets were running on Ptech software.

A list of Ptech clients includes the FAA, N.A.T.O, United States Armed Forces, Congress, Dept. Of Energy, Dept. of Justice, FBI, Customs, the IRS, the Secret Service, and even the White House.

Zionist Jew Michael S. Goff was marketing manager at Ptech and also worked for Israeli database company Guardium (Director Amit Yoran) Guardium has been funded by Cedar Fund, Veritas Venture Partners, and StageOne, all Mossad funding outfits.

Now why would a young American lawyer working with a good law firm, (Sedar & Chandler), in his home town suddenly leave the practice of law and work with a dodgy start-up software company owned and financed by a Lebanese and a Saudi?

Under Goff, Ptech software loaded with trapdoors and Trojan Horses was sold and loaded onto the most sensitive computer systems in the US Defense establishment.

International Consultants on Targeted Security

ICTS International, and their US subsidiary Huntleigh USA, are owned by Ezra Harel and Menachem Atzmon, both Israeli Jews.

Most of the company's employees are Israeli, and have close ties to the Mossad.

Both flights that struck the twin towers originated at Boston's Logan Airport, while the plane that allegedly crashed in Pennsylvania departed from Newark.

ICTS was responsible for security at both airports, yet the company will not release surveillance tapes that would prove the hijackers actually boarded their flights.

On December 22nd, 2001, Richard Reid attempted to create an explosion on a flight from Paris to Miami by mixing, then igniting explosives hidden in his shoes.

The “shoe bomber” only managed to light a few matches before being subdued by passengers and arrested.

ICTS controlled security at Charles de Gaulle Airport in Paris, where Reid was allowed to board his flight.

On Christmas Day, 2009, Umar Farouk Abdulmutallab boarded a flight from Amsterdam to Detroit with explosives hidden in his underwear.

Umar’s makeshift bomb contained the same combination of explosives as Reid’s, and as he attempted to detonate them he too was subdued.

ICTS International controlled security at Amsterdam’s Schiphol Airport, and once again they allowed a “terrorist” to board an aircraft.

Menachem Atzmon, former Likud treasurer in the 80’s, was involved in an Israeli political scandal involving Ehud Olmert and other Likudnits in Israel.

He was convicted of fraud, falsifying documents, as well as breaching Party Funding Law.

In 2003 both Era Herel and Menachem Atzmon became suspects in a criminal investigation.

Harel was accused of bribing the Director of the Israel Electric Company, (IEC). Shortly thereafter, Ezra Harel died of a sudden heart attack on his yacht, even though he was in his early 50s’.

Just hours before the Patriot Act went before Congress, “technical corrections” were written into the legislation granting foreign security companies, like ICTS International, immunity from lawsuits related to 9/11.

ZIM Integrated Shipping Services

ZIM is another front company owned and controlled by the Israeli government.

The company vacated its 10,000 square feet office in the North WTC tower just one week before 9/11.

Zim's offices in the Trade center had been leased until the end of 2001 and the company lost \$50,000 when it suddenly pulled out at the beginning of September.

FBI agent Michael Dick was investigating Israeli spying before and after 9/11.

After he began looking at Zim's suspicious move he was removed from his duties by the head of the Justice Department's criminal division, Michael Chertoff.

According to a non-official cover, (or N.O.C.), CIA source who worked closely with Dick, the Israeli movers **moved in explosives** when ZIM moved out.

With ZIM Israel bailing out just in time, this left one Israeli company, Clearforest, with 19 employees, in the WTC on 9/11.

Of the five employees in the building all managed to escape.

Odigo

Odigo was an Israeli owned company that operated an instant text messaging service.

Odigo had a unique feature that allowed messages to pass through a search filter based on nationality, such as Israeli.

Odigo admitted that two of its employees received instant messages warning of the impending attack two hours prior to the first plane hitting the North Tower.

Had this warning been passed on to authorities, thousands of lives could have been saved.

Knowing these two particular Israelis were forewarned, it is very likely they passed the message on to other Israelis considering that out of the 4000 Israelis believed to be in and around the WTC and the Pentagon only **five** died.

Yes, only five Israeli citizens lost their lives on 9/11, and two of them were allegedly on the aircraft that were allegedly hijacked.

Odigo has offices in New York, and Herzliya, Israel.

Herzliya happens to be the Headquarters of the Mossad.

Odigo was later bought up by another Israeli company called Comverse.

The CEO of Comverse was Kobi Alexander, a “dual” Israeli-US citizen with connections to Mossad.

He has been charged with several counts of fraud.

Sims Metals Management

Alan D. Ratner’s Metals Management and the SIMS group were responsible for quickly scooping up the rubble from the towers and shipping it off to Asian smelters.

Ratner made a handsome profit selling over 50,000 tons of crime scene evidence steel to a Chinese company at \$120 per ton.

Ratner had obtained them for \$70 per ton.

More research on this illegal destruction of crime scene evidence can be found here.

"This Story no Longer Exists"

In late 2000 and throughout 2001, over 200 Israelis were arrested for suspected espionage.

This was the largest spying ever uncovered in the United States.

These suspected spies targeted or penetrated Military bases, DEA, FBI, Secret Service, ATF, U.S. Customs, IRS, INS, EPA, Interior Dept., U.S. Marshal's Service, various U.S. Attorneys Offices, Secret government offices, and unlisted private homes of law enforcement/intelligence officers.

Most of the suspects served in military intelligence, electronic surveillance intercept and/or **explosive ordnance units**.

Dozens of Israelis were arrested in American mall kiosks selling toys, acting as a front for a spying operation.

Some were posing as Art students.

60 detained suspects worked for the Israeli company AMDOCS which provides most directory assistance calls and almost all call records and billings services for the U.S.

At least ninety Israelis were arrested for spying after 9/11 and we know that some of them were detained in connection to the September 11th attacks.

Following 9/11, over 60 Israelis were detained either under the Patriot Anti-Terrorism Act or for immigration violations.

Some were active Israeli military personnel.

A number of them failed polygraph examinations when questioned about their surveillance activities.

This was the biggest spy scandal in our country's history, and right on the heels of 9/11.

Yet most of us did not hear this news because the mainstream press refused to publicize this story.

The exception was Carl Cameron of Fox News channel, his excellent four-part investigative series covered most aspects of the allegations against Israel.

Fox News soon came under immense pressure from the zionists who own the network, and retracted the story.

They even removed the written transcript from the Fox News Channel web page, replacing the news report with the following orwellian message: **This story no longer exists.**

Fortunately, someone saved a digital copy of the series before the story disappeared, and the video is still available on the internet.

Here is Cameron's four part series on the Israeli spy ring scandal.

Notice however that the reporters will not go so far as to actually accuse Israel of complicity in the September 11th attacks.

"Five Dancing Israelis"

Of the 90 or so detained Israelis there were five, now widely known as the "dancing Israelis", who were spotted in multiple locations filming, and celebrating the attacks.

The men were detained by NYPD.

The police and FBI field agents became very suspicious when they found maps of the city with certain places highlighted, box cutters (the same items that the hijackers supposedly used), \$4700 cash stuffed in a sock, and foreign passports.

Police also told the Bergen Record that when bomb-sniffing dogs were brought to the van they reacted as if they had smelled explosives.

Witnesses reported they were set up to film the attacks **prior** to the first plane strike, and were seen congratulating one another afterward.

The five jubilant Israelis were also seen photographing one another.

The FBI seized and developed their photos, one of which shows Sivan Kurzberg flicking a cigarette lighter in front of the smoldering ruins in an apparently celebratory gesture.

Three of the five dancing Jews telling their hideous tale on Israeli TV

According to ABC News 20/20, after the group of Israelis were detained, the driver of the van — Sivan Kurzberg — told the officers:

We are Israeli.

We are not your problem.

Your problems are our problems.

The Palestinians are the problem.

After their deportation back to Israel, three of them appeared on an Israeli talk show.

Where one of them stated **"The fact of the matter is, we are coming from a country that experiences terror daily. Our purpose was to document the event."**

The Mural Van

One of the more bizarre events of the day came in the form of a mysterious white van parked a few blocks away from the twin towers on 6th and King Street, with a mural painted on the side that literally depicted a jetliner crashing into the twin towers and exploding.

Artist's sketch based on police recording describing the mural van

******* Comment its only a coincidence Israeli's were driving around in a white van, with a picture on the side of a plane flying into the Twin Towers and they even got the carrier right American Airlines?**

This police audio transmission indicates that the two suspects in the van started to run away when the van was stopped and were apprehended shortly thereafter in some sort of struggle.

The police recording also indicates that the mural van subsequently exploded following the detainment of the two suspects

Further corroboration of this incident came in the form of a reference in the February 2006 Norman Y. Mineta International Institute for Surface Transportation Policy Studies (MTI) report entitled: "Saving City Lifelines: Lessons Learned in the 9-11 Terrorist Attacks".

A van was stopped on 9/11 that had a painting of a plane crashing into the WTC and exploding. The incident was confirmed by a US gov't report.

Artist's sketch based on NYPD description

9/11 Mural Van
Stopped at King St. NYC

The truck belonged to a group of "ethnic middle eastern people". Israelis perhaps?

Why no TV media reports of this truly remarkable incident?

If they were Arabs it would have been all over the news.

RESTORING OEM'S FUNCTIONS

There were continuing moments of alarm. A panel truck with a painting of a plane flying into the World Trade Center was stopped near the temporary command post. It proved to be rented to a group of ethnic Middle Eastern people who did not speak English. Fearing that it might be a truck bomb, the NYPD immediately evacuated the area, called out the bomb squad, and detained the occupants until a thorough search was made. The vehicle was found to be an innocent delivery truck.

Saving City Lifelines: Lessons Learned from the 9/11 Terrorist Attacks, Mineta Transportation Institute, Pg. 28

Although the existence of the mural van is confirmed by this report, it basically amounts to a whitewash of the actual incident.

The last sentence of the relevant quote concludes that this truck that had a painting of the 9/11 attacks on it, on 9/11, was just an "innocent delivery truck".

They also scrubbed out the part about the subsequent explosion of the truck, which the NYPD recording above confirms.

It is said that the truck was rented to a group of "ethnic middle eastern people" who didn't speak english.

Israelis just happen to be ethnic middle eastern people.

If the apprehended suspects were Arabs this incident would have been plastered all over the media as proof of an "Arab Al Qaeda conspiracy".

The fact that this incident was never mentioned in the official 9/11 commission report, and completely ignored by the mass media, is a strong indication that these "ethnic middle easterners", who had painted up a truck with the future 9/11 attack scenario on it, were in fact Israelis.

Truck Bombs

It was reported by multiple sources that a van was stopped approaching the George Washington Bridge that was packed with explosives.

The occupants were not Muslims or Arabs, but in fact **Israelis**.

Had the ploy worked Palestinians were to be blamed.

Urban Moving Systems

All of the white vans were working for the ostensible moving company Urban Moving Systems under the direction of Dominic Suter, an Israeli Spy who immediately **fled to Israel days after the attacks.**

It was confirmed by two former CIA officers that this Israeli moving company was a front operation for the Mossad.

The two CIA sources noted that movers vans are a common intelligence cover.

After FBI raids on Urban Moving Systems' headquarters in New Jersey, and the confiscation of computer harddrives and other materials, Suter was placed on the FBI's 911 suspects list.

However, the case against Suter, Urban Moving Systems, the dancing Israelis, the Israelis caught with an explosive-laden van at the George Washington Bridge, the Israelis caught with a mural van depicting the 911 attacks on it, the Israeli art-student spies, and the over 60 other active-duty Israeli military officers arrested after 9/11 was not pursued.

Behind the scenes maneuvering by highly placed Zionist agents in the U.S. government, led by head of the U.S. Justice Department's criminal division at the time (later appointed Homeland Security chief) and Jewish/Israeli Mossad asset, Michael Chertoff, quashed ALL investigations into Israelis connected to the 9/11 attacks.

Al Qaeda is Zionist Fiction

The well known translation of 'Al-Qaeda' is 'The Base'. However, al-Qaeda also translates to 'The Toilet'.

'Ana raicha Al Qaeda' is a colloquial expression for 'I'm going to the toilet.'

Hardly a title a genuine Islamic terrorist fighting force would adopt.

Al Qaeda is not a real organization but had once been the "database" of international mujahideen, arms smugglers and terrorists used by the CIA and Saudis to funnel guerillas, arms and money into Soviet-occupied Afghanistan.

The Al Qaeda presented to us via the Zionist Mass Media is altogether mythical, a mere invention of the CIA and the Mossad -- an instrument of covert intelligence operations.

In 1979 the CIA & Mossad (with Saudi/Pakistani assistance) created, funded and armed the Afghan Mujahideen in order to overthrow the Pro-Soviet

Communist Regime in Afghanistan, and induce a Soviet invasion.

Osama Bin Laden was the CIA's point man in Afghanistan in the proxy war against the Soviets; he even had a CIA stage name "Tim Osman".

When the Soviets invaded Afghanistan the CIA (and Mossad) poured billions of US taxpayers dollars into the Afghan Jihad hoping to bog down the Russians in a Vietnam War-type quagmire situation which would exhaust the Red Army, destabilize the Soviet economy and collapse the Soviet union. Everything went as planned.

Since the fall of the Soviet Union and thus Communism globally, the Zionist Jews who run the US needed a new "external enemy" in order to justify to the American people huge military budgets as well as an aggressive foreign policy in order to capture mid-east oil, resources and launch wars against Israel's regional enemies.

In steps "Al Qaeda", the Zionist media bogeyman blamed for everything from 9/11 to Global Warming.

Nearly every scary Arab whom the media labels an "Al Qaeda terrorist" turns out to have connections to the Mossad, CIA or MI6, and are thus being "run" by them and scapegoated for what is, in reality, Zionist terrorism.

Mossad fake Al Qaeda cell

In December of 2002 Ariel Sharon claimed that al-Qaeda operatives were targetting Israelis, and used this as a provocation to launch attacks into Gaza.

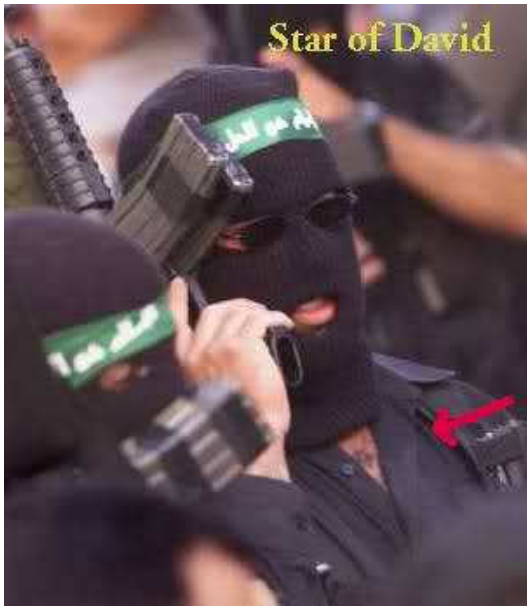

"We know that they are there. We know that they are in Lebanon, working closely with Hezbollah. We know that they are in the region."

Officials from the Palestinian Authority accused the Israeli spy agency Mossad of setting up a fake al-Qaeda terrorist cell in Gaza.

The ruse ended when the Palestinian Authority captured three Mossad agents posing as al-Qaeda terrorists, (right), and paraded them before the international press.

The Palestinians also produced documents that proved “the involvement of the Israeli intelligence in recruiting citizens from Gaza Strip in a fake organization carrying the name of Qaeda.”

U.S. Army Assessment of the Mossad

Just months before 9/11, the U.S. Army School of Advanced Military Studies was ordered to devise a plan for enforcing a major Israeli-Palestinian peace accord, should the United Nations ever authorize it.

The Army attempted to predict events in the first year of a peace-enforcement operation, and assess possible dangers for U.S. troops from both sides.

According to the study, a successful peacekeeping operation would require about 20,000 well-armed troops stationed throughout Israel and a newly created Palestinian state.

The paper referred to Israel's armed forces as "Well armed and trained.

Operates in both Gaza and the West Bank. Known to disregard international law to accomplish mission".

The Army intelligence officers wrote the following in their report in reference to the Mossad: -

"Wildcard. Ruthless and cunning. Has capability to target U.S. forces and make it look like a Palestinian/Arab act."

Although Army spokesman Maj. Garver said the study was "just an academic exercise", this story was reported in the Washington Post just one day prior to 9/11.

Intelcenter & S.I.T.E. Intelligence - Zionist Fronts

Intelcenter is the source for most of the videos released by "al-qaeda".

Since 9/11 the company has conveniently produced frightening images of Osama bin Laden and other "terrorists", just when public opinion is flagging.

IntelCenter is owned and run by Ben Venzke, a Jew (pictured right).

The company is an offshoot of IDEFENSE, which was staffed by senior PSYOP officer Jim Melnick, another Jew, who had previously answered directly to Donald Rumsfeld.

IntelCenter was caught adding its logo and that of As-Sahab to the same layer of a purported al-Qaeda video in August of 2007.

The company's attempts to replicate Osama bin Laden's likeness using computer morphing software and actors with different beard colors have been a running joke on the internet for years.

Most commentators now believe Osama bin Laden is dead, yet Intelcenter recently released a new audiotape where he finally takes full responsibility for 9/11.

For anyone who questions why there is no video, the company assures us that **"audio messages are the rule, not the exception, and thus speculation as to health or anything else merely because the message is in audio form and not video does not hold up to analytical scrutiny"**.

Jew Katz

The other key group which magically 'obtains' and releases all of these scary Al Qaeda videos, and works day and night to villify Muslims as plotting, psychotic terrorists, is the shady organization calling itself SITE Intelligence, owned and operated by an Iraqi-born Zionist Jewess, **Rita Katz**, whose father was accused of spying for Israel during the 1967 Arab-Israeli war.

He was subsequently executed by Saddam Hussein.

After the death of her father, Rita and her mother fled to Israel, where she served in the terrorist Israel Defense Force (IDF), and most likely murdered many innocent Palestinians for sport.

Katz' suspicious organization is the primary source for information (read: disinformation) about "Islamic terrorism" used by news outlets, the FBI, the CIA and the US government.

If Al Qaeda is blamed for a bombing it is because the Zionist Katz said so.

Her wild claims are not questioned, but reported as fact by the Zionist-owned media.

Essentially her organization "finds" all of its info on the internet by "monitoring Jihadist forums".

Yeah, that sounds real credible.

This Jewish-run organization is in all likelihood a front for the Mossad.

Adam Gadahn

Jew Poser Pearlman

Also known as Azzam the American, this so called Al Qaida spokesperson has portrayed himself as a fiery Islamic radical.

His videos threatening terrorist attacks on Americans even earned him a place on the FBI's most wanted terrorists list.

In reality he is a Jew named **Adam Pearlman**, and his grandfather, Carl Pearlman, was on the Board of Directors of the Anti-Defamation League!

Phony Evidence to Implicate Arabs

Patsies

The still image pictured right is of **Ziad Jarrah** and **Mohammed Atta**, alleged 9/11 hijacker masterminds.

This scene where the pair are together laughing hysterically as if they just took a few hits from a bong, is supposedly from their "martyrdom" video shot a year or so before the big event.

Do these men appear to you like hardened, ice cold terrorists about to depart on a "suicide mission" for Allah?

Hardly.

An astonishing revelation came in the form of a New York Times article which revealed that Ziad Jarrah's cousin, Ali Al Jarrah, was discovered by Lebanese authorities to have been a Mossad Spy for 25 years!

Evidence uncovered by the investigative journalist Daniel Hopsicker proves that the Mohammed Atta who was living and attending a flight school in Florida had a personality and lifestyle vastly opposite to the real "Muslim" Mohammed Atta who has been described by people who knew him as "shy" and a "pious Muslim".

According to Hopsicker's investigations the Atta living in Florida was a, **"wealthy, chain smoking, drug dealing psychopath who spoke fluent Hebrew."**

It appears Atta was framed by a Jew (Mossad agent) impersonating him.

The FBI admitted that several or all of the alleged 911 hijackers used fake IDs.

Soon after the 911 attacks it was reported that several of the alleged Muslim 911 attackers were alive and well in the middle-east who had their passports stolen years previous -- apparent victims of identity theft.

Who is most known for stealing/forging passports to use on covert operations?

You guessed it, the Israeli Mossad.

Prior to the 911 attacks it was reported that several of the alleged future Muslim hijackers were engaged in some very un-Islamic fundamentalist behaviors -- including acquiring hookers, getting drunk and doing drugs.

According to the FBI several Muslim men had used credit cards to pay for drinks and lap dances at a strip club the night before 911.

According to witnesses several of these "Muslims" were making loud anti-American statements such as, "wait til' tomorrow America is going to see bloodshed", and then left a Koran behind at the bar!

Six nights before 911 Atta and several of his henchmen had a binge-drinking session in a Florida bar called Shukums, where one of the owners recalled hearing Atta get angry and say "Fuck God".

Whoever these people were they clearly wanted to be seen/heard and identified as Muslims who were angry with America.

The behavior of these men proves they were not Islamic fundamentalists as they have been portrayed by the Zionist media -- they were not even religious at all.

They were Mossad agents impersonating Muslim radicals tasked with deliberately leaving behind a false trail of evidence for reporters and the FBI to follow.

This is standard intelligence work and a hall mark of past Israeli 'false flags'.

It is the opinion of this author that personalities such as Atta, Jarrah, and the 17 other alleged Arab 9/11 hijackers, were only used as misdirection.

Such media villains as Osama Bin Laden are mere inventions of the Jewish crime network, and are thus hardly worth mention save for their direction connection to the Zionist Jews who planned, orchestrated and benefitted from 9/11.

There are a number of suspicious circumstances that quickly arose from the ashes of 9/11 which casts serious doubt on the veracity of the government's official fairy tale, and strongly indicates that 9/11 was indeed an anti-Arab frame up.

For instance it was claimed by the FBI that a paper passport of alleged co-hijacker of flight 11, Satam Al Suqami, SURVIVED the plane crash into the WTC, as well as the subsequent fireball inferno, only to be found a couple of blocks from the towers, unburned, intact and readable for the FBI to identify this individual as a hijacker.

This tall tale is proof that the Mossad went around planting evidence to put the blame for the attacks on Arabs.

Amazingly, the lying US government claimed three of the alleged nineteen hijackers passport's survived the crashes intact, and that another was found in the luggage of Mohammed Atta (more on that later).

Why would terrorists even bring passports on domestic flights?

A second occurrence, nearly as bizarre as the aforementioned indestructible passport tale, was the story about Mohammed Atta's luggage.

Apparently, the alleged terrorist mastermind was brilliant & methodical enough to successfully organize the most sophisticated attack in US history without a hitch (according to the official fiction), but, at the same time, was clumsy enough to 1) pack luggage on a suicide mission even though it would just get blown up anyway, and.

2) fill that luggage with a plethora of incriminating evidence including a Boeing 757 training video, a flight data recorder, a Koran, a switch blade, pepper spray, and a letter containing Atta's last will and instructions to the other 'Muslim hijackers' including their names.

How this suitcase made it past the security gate at the airport is beyond anyone's wildest imagination, but that's not even the craziest part of the story.

Apparently, this magical luggage, did not make the fatal flight and fell right into the hands of the FBI.

This mysterious luggage was said to have confirmed that Atta and his fellow Muslims hijacked the plane that flew into the North Tower.

How convenient.

According to US authorities, this luggage literally made the U.S. government's case against "Al Qaeda".

A former FBI agent and a former federal prosecutor who helped direct the New England investigation of the Sept. 11 attacks told Newsday that **one bag found in Boston contained far more than what the commission report cited, including the names of the hijackers, their assignments and their al-Qaida connections.**

"It had all these Arab-language papers that amounted to the Rosetta stone of the investigation," former FBI agent Warren Flagg said.

The former federal prosecutor, who declined to be identified publicly, supported Flagg's account.

Hijacker IDs

"How do you think the government was able to identify all 19 hijackers almost immediately after the attacks?" Flagg asked. "

They were identified through those papers in the luggage.

And that's how it was known so soon that al-Qaida was behind the hijackings.

Besides the obvious unlikelyhood and absurdity of this story, the whole thing basically appears to be a concoction.

Early media reports were very contradictory to the point of lying and complicit journalists routinely engaged in covering up their easily debunkable previously written lies, with new ones.

You can see how the news was being "shaped" to fit an official narrative.

In the weeks that followed the attacks, the mainstream media eventually gained a level of synchronicity and you can see an official government-sanctioned story begin to emerge.

See [this page](#) for the contradictions in the Atta, luggage, rental cars narrative.

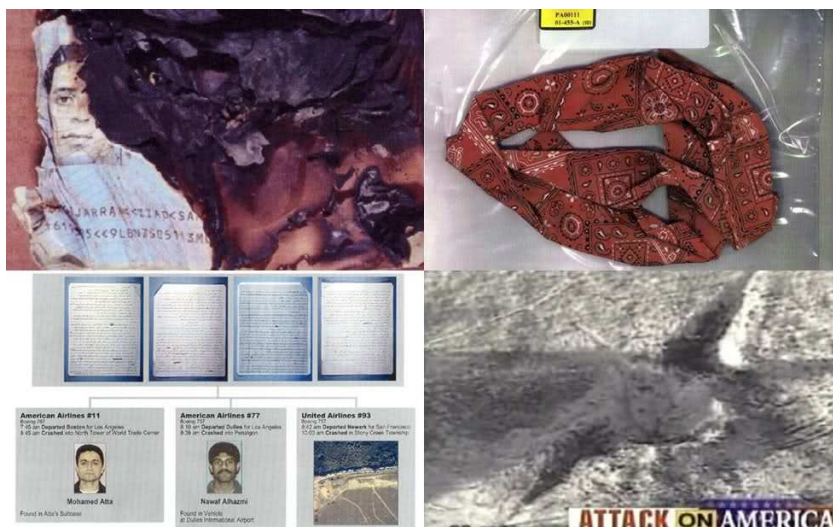

Either the Mossad planted this luggage or the whole thing is basically a concoction of the FBI, who has a close working relationship with the Zionist Anti Defamation League, a criminal organization which was caught spying on American citizens for Israel in 1993.

There is simply no other explanation for why Atta would pack such absurd items on a suicide mission, risking blowing the entire operation at the security check in.

Anyone who claims this story is true is a liar.

The laughable official story also posits that an identical handwritten hijacker letter was recovered in three places a rental car parked at Dulles International airport, in Mohammed Atta's magical luggage, and one copy supposedly was found in the wreckage of flight 93, **intact**.

A red bandana in pristine condition was said to have survived the flight 93 crash, as well as Ziad Jarrah's passport.

Pictured are items allegedly recovered from flight 93 wreckage.

Top left: Ziad Jarrah's alleged passport.

Top right: red bandana, allegedly worn by the hijackers.

Bottom left: hijacker letter.

Bottom right: flight 93 crash site, no plane debris is visible, yet these flimsy items all survive the fiery crash and are conveniently used as the basis for the US gov't "Muslim suicide hijackers" story.

This is the same flight 93 crash site that was completely absent of any identifiable plane debris or human remains.

This discrepancy was said to be because; **"United Airlines Flight 93 slammed into the earth Sept. 11 near Shanksville, Somerset County, at more than 500 mph, with a ferocity that disintegrated metal, bone and flesh.**

It took more than three months to identify the remains of the 40 passengers and crew, and, by process of elimination, the four hijackers."

(Pittsburgh Post-Gazette, 12/30/01) So an aluminum plane with two titanium steel jet engines is completely destroyed, leaving not a shred of evidence it even existed, but two pieces of paper and a piece of cloth inexplicably survive an impact.

That metal and steel could not, and are thus conveniently able to be used to affirm the US government's 'Muslim suicide pilots' conspiracy theory.

According to the testimony before the House Intelligence Subcommittee on Terrorism and Homeland Defense on October 3, 2001 given by J. T. Caruso—the Deputy Assistant Director of the FBI's Counterterrorism Division, **"translations of the letter indicate an alarming willingness to die on the part of the hijackers."**

The official 9/11 script truly is written like a Tom Clancy's spy novel mixed with the magic of Harry Potter and the Chronicles of Narnia.

The Jewish Administration

Alvin K. Hellerstein

Jew Hellerstein

Hellerstein is a judge for the U.S. District Court for the Southern District of New York and has been involved in several high-profile 9/11 related cases including consolidated master cases against three airlines, ICTS International NV and Pinkerton's airport security firms, the World Trade Center owners, and Boeing Co., the aircraft manufacturer.

No airline or airport security company has been found negligent by his court, and not one victim's lawsuit has made it past his byzantine rules and been granted a trial.

He told the families who lost loved ones on September 11th **"We have to get past 9/11. Let it go. Life is beautiful. Life is short. Live out your years. Take the award."**

Hellerstein is a dedicated Zionist and Israeli nationalist who has ties to the Jewish mafia dating back to 1956.

Hellerstein's wife is a former senior officer and treasurer of AMIT, Americans for Israel and the Torah.

Michael Mukasey

Jew Mukasey

This Orthodox Jewish judge presided over the first World Trade Center bombing case in 1993.

After 9/11 Mukasey oversaw the litigation between Larry Silverstein and his insurance companies.

Instead of being charged with insurance fraud for the obvious demolition of all three World Trade Center Towers, Silverstein was awarded \$4.6 billion.

Mukasey also oversaw the detained material witnesses of 9/11.

He prevented a full inquiry into the Israelis arrested arrested in connection with the September 11th attacks, including the "five dancing Israelis".

Mukasey served as an Assistant U.S. Attorney with Rudy Guiliani for four years. As a federal Judge he swore in the infamous New York mayor, twice.

Later Mukasey advised Guiliani during his presidential campaign.

Jew Birnbaum

Mukasey attends orthodox Jewish services at the Kehilath Jeshrun synagogue of Manhattan, along with Judge Hellerstein.

He was appointed Attorney General by President Bush on September 17, 2007. Michael Mukasey is a "dual citizen" of the US and Israel.

Sheila Birnbaum Another key Jew involved in the cover-up of 9/11 is Sheila Birnbaum of Skaddan, Arps law firm.

She was appointed 'special mediator' of legal suits filed by the 3% of families who refused to be bought off by the Zionists.

As of this writing, not one of these pending cases has made it to trial, thanks to her.

Kenneth Feinberg

Jew Feinberg

He personally administered the \$7 billion victim's compensation fund. Feinberg persuaded 97% of the victims' families to take the money in exchange for renouncing their right to sue the 9/11 criminals.

Today he is President Obama's "pay czar", in charge of TARP Executive Compensation – a program that pays bonuses to the Wall Street criminals responsible for the financial meltdown.

Michael Chertoff

Jew Chertoff

This reptile was the Assistant Attorney General on 9/11, and in charge of the Justice Department's Criminal Division.

Chertoff allowed over one hundred Israeli spies who were arrested prior to and on 9/11 to return to Israel on immigration violations.

Chertoff helped write the Patriot Act, then became the first Secretary of the newly created Department of Homeland Security.

This despite the fact that he is a "dual citizen" of the US and Israel.

The Chertoffs are one of the founding families of the state of Israel.

His mother was one of the first agents in the Mossad, his father and an uncle are ordained rabbis and teachers of the Talmud.

Dov Zakheim

Rabbi Zakheim

Zakheim was the CEO of System Planning Corporation from 1987-2001. SPC Corporation provided flight termination systems and command transmitter systems, technology that allows up to eight planes to be remotely controlled at the same time, from one operations center.

Zakheim was the Undersecretary of Defense and Comptroller of the Pentagon from 2001 to 2004.

He is the man responsible for the disappearance of \$2.6 TRILLION that went missing from Pentagon accounts.

This scandal was first mentioned by Donald Rumsfeld on September 10th, 2001, only to be buried the very next day beneath 9/11's rubble.

Coincidentally, the specific section of the Pentagon that was struck, (blown up), contained the years budgetary information, as well as accountants, bookkeepers and budget analysts; many of whom died on 9/11.

In May 2001, an SPS subsidiary oversaw the investigation of the first "terrorist" attack on the World Trade Center in 1993.

According to the SPC website, a recent customer at that time was Eglin Air Force Base, located in Florida.

Eglin is very near MacDill AFB, where Dov Zakheim contracted to send at least 32 Boeing 767 aircraft, as part of the Boeing/Pentagon tanker lease agreement.

Considering his access to Boeing 767 tankers, remote control flight systems, and his published views in the PNAC document, it seems very likely that Zakheim is a key figure in the events of September 11, 2001.

Dov Zakheim is a Zionist Jew, and a Rabbi.

Jew Perle

Richard Perle

Nicknamed "The Prince of Darkness", Perle was Chairman of the Pentagon's Defense Policy Board, and a member of PNAC, the Project for a New American Century.

This group of "neo-conservatives" was actually a Zionist organization.

He wrote A Clean Break: A New Strategy for Securing the Realm, which advocates the ethnic cleansing of Palestinians in the occupied territories.

He was expelled from Sen. Henry Jackson's office in the 1970s after the NSA caught him passing highly classified documents to Israel.

Perle is a "dual citizen" of US and Israel.

Paul Wolfowitz

Jew Wolfowitz

Wolfowitz was the Deputy Defense Secretary on 9/11, and a leading member of PNAC.

He is widely regarded as the chief architect of the Iraq war.

In 2004, Wolfowitz became a suspect in the FBI investigation when one of his staff members, Larry Franklin, pleaded guilty to passing sensitive information on Iran to Israel.

He later resigned as President of the World bank amid a scandal involving ethics violations and an illicit affair with a staffer.

Paul Wolfowitz is a “dual citizen” of United States and Israel.

Douglas Feith

Jew Feith

As Undersecretary of Defense for Policy, Feith spearheaded two secretive groups at the Pentagon — the Counter Terrorism Evaluation Group and the Office of Special Plans.

The mission of both groups was to create propaganda claiming Saddam Hussein was developing WMDs, and that he was connected to Al Qaeda.

In 1997, he published a lengthy article in Commentary, titled "A Strategy for Israel".

In 1998, Feith was one of a number of U.S. officials who signed an open letter to President Bill Clinton calling for the United States to oust Saddam Hussein.

Feith was one of 18 founding members of the organization One Jerusalem to oppose the Oslo peace agreement.

Its purpose is "saving a united Jerusalem as the undivided capital of Israel."

He is also Director of Foundation for Jewish Studies.

In 1976 he was removed from the National Security Council due to suspicion of passing classified documents to Israel. Douglas Feith is a "dual citizen" of the US and Israel.

Philip Zelikow

Jew Zelikow

This Zionist jew was appointed the Executive Director of the 9/11 Commission.

He is responsible for concocting the contrived fiction that was presented to us as the 9/11 Commission Report (i.e. official story).

Zelikow was a Bush Administration insider, serving on the President's transition team in early 2000.

From 1989-91 Zelikow served with Condaleeza Rice on the National Security Council, and in 1995 they wrote a book together.

From 1996-98 Zelikow was Director of the Aspen Strategy Group which also included Condaleeza Rice, Dick Cheney and Paul Wolfowitz as members.

Ari Fleischer

Jew Fleischer

He served as White House Press Secretary for President Bush from January 2001, to July, 2003.

In that capacity he helped sell the official story of 9/11 and the invasion of Iraq to the American People.

In July 2003, Lewis "Scooter" Libby, another Zionist Jew, illegally publicized Valery Plame as a known CIA operative.

Fleischer was named in the indictment of Libby, and forced to resign.

Fleischer is a "dual citizen" of the US and Israel.

But he is not just a Jew, he is connected to an extremist group called the Chabad Lubavitch Hasidics.

Members of this sect study the Kabbalah, and hold very extremist, insulting views toward all non-Jews.

David Frum

Jew Frum

This Jewish criminal personality was Bush's Speechwriter at the time and is the one responsible for inflating the number of Israeli dead 26x the actual amount.

Why did he do this?

Because he's a Zionist of course and was attempting to garner sympathy for Israel

And project them as the 'great ally' of the United States who are now 'partners' in this global fight against "terrorism".

Frum was the man behind the "Axis Of Evil" label.

He also co-authored a book with Zionist warmonger Richard Perle, entitled An End To Evil: How To Win The War On Terror, which was about the "Global War On Terror" it defended the illegal and fraudulent invasion of Iraq -- as well as called for regime change in Iran & Syria among other hideous things.

Those are just a few of the 42 Zionist Jews who were embedded in and/or strongly associated with the Bush Administration, as well as splinter Neo-Con think tanks like the American Enterprise Institute, Jewish Institute for National Security Affairs, Washington Institute for Near East Policy, Project For a New American Century, among other traitorous Jewish Israel-firster criminal think-tanks.

Who was on board flight 11?

Daniel Lewin

Lewin, an Israeli Jew, was confirmed to be a former member of the elite Israeli commando unit, the **Sayeret Matkal**.

Sayerat Matkal is a deep penetration unit that has been involved in assassinations, "counter-terrorism" and "hostage rescues".

It is best known for the 1976 rescue of 106 passengers at Entebbe airport in Uganda, which turned out to be an Israeli hoax designed to torpedo the PLO's standing in France and demonize the Palestinians in the eyes of Western populations.

The official story alleges that Lewin got involved in a struggle with one of the "Muslim hijackers" and ended up getting shot and killed with a gun, which was later changed to being "stabbed" to death (as a gun on board would not jive with the pre-packaged 9/11 script).

How typical of the Zionist media to make a "hero" out of a Zionist Jew on board the plane who supposedly "took on" the terrorists and paid with his life.

The more likely scenario is that Lewin was the one who pulled the hijacking as he was specifically trained to do as an elite Israeli commando in the terrorist group, the Sayerat Matkal!

Israeli commandos are one of the few highly trained groups on earth capable of pulling off a simultaneous four plane hijacking such as the one that occurred on 9/11.

An impossible feat for 19 inexperienced Arab amateurs with box cutters facing down four LOCKED cockpits and a plane full of hundreds of passengers who could have, and would have, easily beat them down with their luggage.

And these 19 run-of-the-mill Arab amateurs supposedly managed to pull this off successfully, without a hitch, on their very first attempt, AND hit 75% of their targets?

What a laugh!

It cannot be written off as mere coincidence that a Zionist commando was on one of the planes.

I am not suggesting Lewin was on a suicide mission and flew into the towers although Jews are known to be every bit, if not more, fanatical than the most extreme of Muslims (for instance look up Baruch Goldstein/Cave of the Patriarchs Massacre and Irv Rubin/Jewish Defense League terrorist plot).

What I speculate probably happened is that he landed the plane at Stewart Airport and it was swapped for a remote control drone which was precision guided into the towers.

Stewart Airport was the "privatized" airport wherein the flightpaths of the planes that hit the twin towers, oddly converged.

9/11 Good For The Jews

On 9/11 most people's reaction was shock and horror.

But not all.

Many Jews were quite elated, one of them being the Crime Minister of Israel himself.

Ehud Sprinzak, an Israeli ~~counter~~ terrorism expert, said [in reference to 9/11 attacks]: "From the perspective of the Jews, it is the most important public relations act ever committed in our favour."

Benjamin Netanyahu: the Architect of 9/11

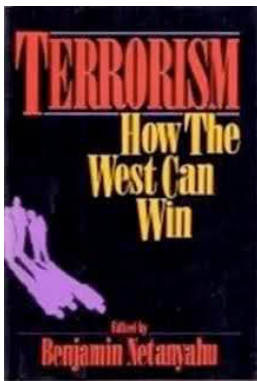

The screenshot shows the Haaretz.com website interface. At the top is the blue header with "HAARETZ.com" and a "Back to Homepage" link. Below the header is a navigation bar with links: "Jewish World", "Haaretz Toolbar", "Diplomacy", "Defense", "Opinion", "National", "Focus U.S.A.", "Stronger than Fiction", "Business", "Real Estate", "Magazine", and "Week's End". The main content area features a photograph of Benjamin Netanyahu speaking at a microphone. To the right of the photo is a "Talkback" section with "Read" and "Respond" buttons, and a "Share" button with social media icons. Below the photo, the text reads: "Likud chairman and opposition leader Benjamin Netanyahu. (Limor Edrey / Archives)". At the bottom of the screenshot, the text says: "Last update - 00:00 16/04/2008" and "Report: Netanyahu says 9/11 terror attacks good for Israel".

It is impossible to believe that Benjamin Netanyahu is not a central player in the September 11th attacks.

He had intimate connections to Israeli intelligence, a close friendship with Larry Silverstein, and a shared ideology with the jews in the Bush administration.

Richard Perle wrote A Clean break: A New Strategy for Securing the Realm for Netanahu, and presented the document to him while he was Prime Minister of Israel.

Shortly after 9/11 Netanyahu made this statement:
"We are benefiting from one thing, and that is the attack on the Twin Towers and Pentagon, and the American struggle in Iraq."

This scum sucking vampire was Israeli PM at the time and has a long history of involvement in Israeli terrorism and politics.

He's been a prominent member of the Likud Government since 1993.

The Likud Party is the literal successor of the Jewish terrorist organization known as the Irgun.

He was the prime minister to whom the ACB Doc was presented.

Netanyahu wrote a book in the early 80's called Terrorism: How the West Can Win .

He founded the Jonathan Institute in the late 1970's to study (and plan) terrorism.

Egyptian Intellectual, Hassan Al Bana, has stated publicly that he thinks Netanyahu planned 9/11 with the Jews at the Jonathan Institute.

Al Bana cites a book written by Netanyahu called Uprooting Terrorism which speaks of plans to attack the U.N., and the World Trade Center with small nuclear bombs.

Abramoff's Casino Boats

Jew Criminal Abramoff

Less than one week before 9/11 several of the Arab hijacker 'patsies', including Atta, boarded a Sun Cruz Casino Boat in Florida.

Nobody knows why, and it has never been investigated. The boats were owned by sleazy Jewish mobster **Jack Abramoff.**

This Jewish criminal asset was the one who entertained the Arab patsies aboard his yacht.

Abramoff is a Bush Admin insider having been on the Transition Advisory Team assigned to the Department of the Interior in 2001.

Abramoff is a convicted criminal lobbyist who is a central figure in a plethora of political scandals, fraud, and other scams.

He is currently serving a five year prison term for fraud, conspiracy, and tax evasion.

He also had foreknowledge of the Zionist engineered War In Iraq.

Sears Tower Incident

Sears Tower

On October 16, 2001 a group of Israelis were arrested in rural Pennsylvania for suspicious behavior behind a Pizzeria Uno.

The manager of the store informed authorities of two middle eastern looking men dumping furniture out of a tractor-trailer with "Moving Systems Incorporated" sign on the side, behind his restaurant.

Police found the van and confronted its occupant who identified himself as Ron Katar, an Israeli.

Katar pointed across the street to his compatriot named Mosche Almakias who was approaching the detained van with a female named Ayelet Reisler.

Reisler suspiciously began to walk in a different direction once she spotted the police officer.

She was found to have a German passport in one name and medication in another.

Elmakias admitted being behind the Pizzeria and said his destination was New York, but he had to make a pickup in Plymouth.

However, the clever cover story began to fall apart as he could not provide a name or number of this client.

The police searched the van and discovered a Sony video camera containing a video taken of Chicago with several suspicious zoom-in shots of the Sears tower.

Clearly these Mossad assets were planning some sort of false flag attack.

These Israelis were eventually taken in by the INS and it was never heard about again.

An important side-note is that the Sears tower was bought by three Jews -- Lloyd Goldman, Joseph Cayre, and Jeffrey Feil in 2004.

These men belong to the same group that backed Larry Silverstein's lease of the WTC complex giving Larry \$125 million to do the deal.

It seems that these criminal Jewish assets are all in on the same false flag terror / real-estate insurance scams together.

Mexican Congress Incident

As reported by La Vox De Atzlan, two men posing as press photographers, but in reality being Israeli Mossad agents, were arrested INSIDE the Mexican congress on October 10, 2001 **armed with 9mm pistols, 9 grenades, explosives, three detonators, and 58 bullets, but were RELEASED from custody because of pressure from the Israeli embassy.**

Attempted Jew False Flag

"We believe that the two Zionists terrorist were going to blow up the Mexican Congress. The second phase was to mobilize both the Mexican and US press to blame Osama bin Laden. Most likely then Mexico would declare war on Afghanistan as well, commit troops and all the oil it could spare to combat Islamic terrorism."

The Jewish terrorists names were Salvador Guersson Smecke, age 34, and Saur Ben Zvi, age 27.

These terrorists were released because of a very high level emergency meetings took place between Mexican Secretary of Foreign Relations Jorge Gutman, General Macedo de la Concha and a top Ariel Sharon envoy who flew to Mexico City specially for that purpose.

Jorge Gutman is of the Jewish descent.

Unsurprisingly the Jewed media failed to report on this incident.

Failed Jew Terror

Israeli Van Bomb Pulled Over

On Monday May 13, 2002, Fox News reported that two Israeli nationals in a white van were pulled over in Oak Harbour, Washington, near the Whidbey Island Naval Air Station with explosives in their truck.

Federal Authorities brought in bomb sniffing dogs which reacted first on one of the Israelis and later on the van. High tech equipment was later used and confirmed the presence of TNT and RDX plastic explosive.

The Israelis claimed to be delivering furniture to California but investigators doubted the story.

Authorities say records for the Budget truck do not indicate any recent rental for the purposes of transporting explosives, which would require special permits thus proving these explosives were illegal and obviously intended to be used for malicious purposes.

The Fox News article makes no mention to what became of these two Israeli terrorists which pretty much means they were quietly released.

Ex Intel Chiefs Affirm Mossad Behind 9/11

Cossiga

Former Italian President **Francesco Cossiga**, who revealed the existence of Operation Gladio, has told Italy's oldest and most widely read newspaper that the 9-11 terrorist attacks were run by the Mossad, and that this was common knowledge among global intelligence agencies.

In what translates awkwardly into English, Cossiga told the newspaper Corriere della Sera:

"All the [intelligence services] of America and Europe know well that the disastrous attack has been planned and realized from the Mossad, with the aid of the Zionist world in order to put under accusation the Arabic countries and in order to induce the western powers to take part in Iraq [and] Afghanistan."

Hamid Gul

In an interview only a mere weeks after 9/11, Hamid Gul -- former head of Pakistani intelligence (ISI) from 1987-1989 -- tells Arnaud de Borchgrave, United Press International of who he thinks was behind the attacks.

Here are a few excerpts from the transcript which can be read in full here:

De Borchgrave: So who did Black Sept. 11?

Gul: Mossad and its accomplices. The U.S. spends \$40 billion a year on its 11 intelligence agencies.

That's \$400 billion in 10 years.

Yet the Bush Administration says it was taken by surprise.

I don't believe it.

Within 10 minutes of the second twin tower being hit in the World Trade Center CNN said Osama bin Laden had done it.

That was a planned piece of disinformation by the real perpetrators.

It created an instant mindset and put public opinion into a trance, which prevented even intelligent people from thinking for themselves.

Von Bulow

Andreas von Bulow served on the parliamentary commission which oversees the three branches of the German secret service while a member of the Bundestag (German parliament) from 1969 to 1994, and wrote a book titled Im Namen des Staates (In the Name of the State) on the criminal activities of secret services, including the CIA.

Von Bulow told AFP that he believes that the Israeli intelligence service, Mossad, is behind the September 11 terror attacks.

These attacks, he said, were carried out to turn public opinion against the Arabs, and boost military and security spending.

"You don't get the higher echelons," von Bulow said, referring to the "architectural structure" which masterminds such terror attacks.

At this level, he said, the organization doing the planning, such as Mossad, is primarily interested in affecting public opinion.

“It is 100 Percent Certain 9/11 Was a Mossad Operation”

Dr Alan Sabrosky, US Army War College

Dr. Alan Sabrosky (Ph.D., University of Michigan) is a writer and consultant specializing in national and international security affairs.

In December 1988, he received the Superior Civilian Service Award after more than five years of service at the U.S. Army War College as Director of Studies, Strategic Studies Institute, and holder of the General of the Army Douglas MacArthur Chair of Research.

On a March 14, 2010 internet podcast Sabrosky stated the following:

"What we need to stand up and say is not only did they attack the USS Liberty, they did 9/11.

They did it.

I have had long conversations over the past two weeks with contacts at the Army War College, at it's headquarters.

Marine Corps and I made it absolutely clear in both cases that it is 100 percent certain that 9/11 was a Mossad operation. Period."

The End

Did any of the Mainstream Media tell you any of the above?

Did you lying politicians?

George Bush, Dick Cheney, Tony Blair, Barrack Obama, John Howard, Kevin Rudd, Julia Gillard, Stephen Harper?

I wonder why?

This is all known evidence & proof about the above people yet the Media and the lying above politicians have covered up all Israeli involvement with Terrorism, 11th Sept everything.

If this doesn't prove and show how all western Governments have fallen to these Zionist murdering, lying scoundrel thugs nothing will.

Anything about Israeli Mossad, IDF and their Terrorism inflicted upon the Whole World is covered up.

Why? Its about time we expose these people, their supporters and helpers.
